

RECALL NOTICE

ELECTRA BICYCLE COMPANY, LLC

**2009 Delivery 3i, Delivery 8D, Holiday 3i, Holiday 8i and Surf 3i
Model Bicycles and After-Market Front Trays and Baskets
Potential Fall Hazard**

The front tray or basket can come loose from the fork crown and contact the front tire, creating a potential fall hazard. The recall includes 2009 model Delivery 3i, Delivery 8D, Holiday 3i, Holiday 8i and Surf 3i bicycles and after-market front trays and wicker baskets with a removable tote bag that were sold from October 2008 through August 2009 for between \$600 and \$750 for the bicycles and approximately \$100 for the after-market front trays and baskets. The recall includes bicycles that were part of the front tray recall earlier this year. The recall does not include bicycles without front trays or baskets or any other Electra bicycles.

Consumers should bring the bicycle to an authorized Electra Bicycle dealer. The bicycles that came equipped with trays as original equipment will be inspected and professionally repaired at no charge. The purchase price of the after-market trays and baskets will be fully refunded. For additional information call
